### GETAWAY OF THE WEEK

**[www.braeview.com.au](http://www.braeview.com.au)**

IT IS a 3 ½ to four-hour drive from Melbourne and this B&B escape has been aimed exclusively at lovebirds, with its luxurious fluffy bathrobes, port and chocolates, sumptuous breakfasts and food platters to indulge in.

The property features lush gardens (pictured) to sooth the senses – and open fires to keep you warm and cosy.

The site offers an awards list, tariffs, plenty of photos, activities that for the area, testimonials and an online reservations form.

How's this for an endorsement on the testimonials page:  
"Would like to pack the house, garden and views in a container and ship back home."
